4-H FASHION STORYBOARD:
The 4-H Fashion Storyboard is an industry-inspired method of displaying original designs. The best storyboards create vivid visual images that are interesting and appealing to viewers. The storyboard “tells the story” of the designer’s idea. The storyboard includes original illustrations and flats, as well as additional materials (such as photos from the Internet or magazines, paper, fabric swatches, patterns, etc.) that have influenced the unique design.

Design Brief -
The following design brief serves as the direction for the 2016 Fashion Storyboards. 4-H members should create their Fashion Storyboard around their interpretation of the design brief.

#4HFashionStoryboard2016

Social media has become a stage to not only set fashion trends, but to launch designers. Social media outlets such as, Facebook, Pinterest, Twitter, and YouTube are easily accessible, and conversational in nature. Fashion trends are created though social media, the trend is not “imposed” on the audience, but instead, it is made available for the audience, and the audience will have the freedom to adopt it or grasp onto part of it.

Create your own design and create a storyboard that will help it go viral.

Storyboard General Rules
1. Participation and Level of Competition. A 4-H member may enter only one storyboard. Contestants advance from county to district.

2. Entry of Storyboard. Each storyboard must be created by the 4-H member. Fashion Storyboard layouts should include original illustrations and flats, as well as additional materials that have influenced their unique design. 4-H members may choose to manually affix the pieces of their layout to their storyboard, or computer-generated layouts can be printed and affixed to the foam core or mat board.

3. Submission of Storyboard. Entering the competition is by submitting the Fashion Storyboard only. There will not be an interview. Do not mail.

4. Identification of Storyboard. The Fashion Storyboard Label must be securely affixed to the back of the storyboard. The label MUST be legibly printed or typed and MUST be complete, including the answer to the Originality of Design question. The 4-H member should not put his/her name on the front.

5. Number of garments designed. Focus on one garment/outfit for the storyboard. Contestants may provide up to two(2) variations of the original design.
6. **Categories.** The following is a list of the categories and descriptions. Each storyboard should be entered into one category. A 4-H member may enter only one storyboard per category.

7. **Scoring.** Storyboards will be evaluated based on the 4-H Fashion Storyboard Score Sheet.

8. **Each Storyboard must conform to and will be evaluated based on the following, but is not limited to:**
   a. **Visual Appeal/Creativity of Storyboard** – Storyboards should show evidence of creativity by the 4-H member. The layout of the storyboard should illustrate a theme, mood, or spirit of an idea.
      i. A good storyboard should have a strong focal point.
      ii. Placement of the inspirational items should allow the eye to flow across all elements of the board without distracting from the design.
      iii. “White space” or “blank space” should be kept in consideration. Too much or too little white space detracts from the design.
      iv. Additional photos and other materials can be used to show the inspiration for the design. These additional materials should enhance the storyboard, without taking away from the original design.
   b. **Quality of Workmanship** – Storyboards should be neat and demonstrate quality of workmanship.
   c. **Consistent Color Palette** – Use a consistent color palette and theme throughout the board.
   d. **Fabric Samples, Trims, and Embellishments** – Fabric samples must be included on the board and be appropriate for the design illustrated. Trims and embellishments that would be used on the garment/outfit should be included, if applicable to the design.
      i. If the exact fabric swatch cannot be found, a “basic swatch” may be used to illustrate fabric type (denim, linen, etc.), and the 4-H member can draw out the detail.
      ii. Examples of trims and embellishments would be top stitching, piping, buttons, etc.
   e. **Dimension** – Must use foam core board or mat board. Must be 20" x 30", displayed horizontally or vertically. Do not use poster board.
   f. **Consistent Theme** – All elements are cohesive and support the design brief.
   g. **Originality of Designs** – All design illustrations and flats should be the original work of the 4-H member. The design may be hand drawn or computer drawn. No “copying and pasting” from someone’s design as seen on the Internet, in a magazine, or other sources for the original design.
   h. **Design Detail** – Should include the at least one Illustration and at least one flat.
      i. **Illustration** – Include at least one main artistic and appropriate fashion illustration. At least one illustration must be on a model/croquis. The model/croquis does not have to be an original drawing and may be traced.
      ii. **Flats** – Include at least one flat. Flats are working drawings that are not on a model/croquis that illustrate other views like you would find on a dressmaker’s pattern envelope. The flats should depict the garment from other views and details.
   i. **Titles/Labels** – The title for the storyboard should be the same as the Design Brief: 
      #4HFashionStoryboard2016. A subtitle may be used for a more personalized name of the design. Labels may be included to enhance the storyboard or to clarify a point, but they will not be required.
   j. **Design Brief** – Storyboards should follow the design brief and category descriptions.
**JUDGES**
Contestants will be judged by a panel of adult judges provided by each county. Please submit the name and E-MAIL address of the judges on the judges form. The number of judges required by each county is listed on the bottom portion of the form. (Counties will be notified if some judges are not needed)
