JUDGES
McCulloch, Runnels, Taylor and Tom Green Counties are asked to provide TWO (2) judges in addition to each agent also serving as a judge. All other Counties will be asked to provide ONE (1) judge in addition to each agent also serving as a judge. Please indicate the best suited age division for each judge. Because books are judged in category groups, it is difficult to assign judges to specific category. You may request a specific category, but there will be other categories in that group. Please also indicate categories or age divisions they CANNOT judge.
The District office will NOT send a letter to judges. A sample letter is attached for your convenience. Please remember that the District Record Book Judging is NOT a training activity. Make sure that the judge that you secure have a good understanding of record books and have had previous judging experience.
