Freedom Isn’t Free Veteran Hunt is an organization that focuses on providing leisure outdoor activities to our Nation’s Veterans, past and present. These activities include hunting, fishing, and providing an environment that fosters a sense of relaxation in addition to well-deserved ‘Thank You for their Service’, and the blanket of Freedom in which they provide!

This year the District 7 4-H Ambassadors have chosen to raise money to help support the wonderful hunts Freedom Isn’t Free provide to soldiers who have served our country. Each county is challenged to raise funds during the 2013-2014 4-H year for this group so they can continue to support our heroes.
