

Texas 4-H Council

The Texas 4-H Council is a team of 4-H members elected by their peers from across the state of Texas. Serving as ambassadors for the Texas 4-H program, members represent the organization statewide while collaborating with Extension faculty to plan, coordinate, and facilitate activities and events.

Texas 4-H Council membership is open to all youth, regardless of race, color, sex, religion, national origin, disability, genetic information, sexual orientation, or gender identity. Representation may consist of two delegates from each District 4-H Council selected at the District level according to state/district guidelines. Six members will be elected during LEAD Academy/Texas 4-H Roundup as at-large delegates. All delegates will share the same rights and privileges as members of Texas 4-H Council.

Texas 4-H Council membership is conferred after participation and completion of the entire Texas 4-H Council Workshop. If an elected delegate is unable to participate in the entire workshop, they forfeit their space on the Texas 4-H Council to another delegate who can participate in the training. However, they will still retain their elected district office as deemed appropriate by the district by-laws.

- July Texas 4-H Council Workshop; Canyon

2022-2023 Texas 4-H Council

The Texas 4-H Youth Development Program provides Texas 4-H Council members a number of opportunities to be ambassadors for the program. Texas 4-H Council members are held to a high standard of excellence which should be demonstrated by their participation in these events and activities.

As listed on the front page, there are opportunities and some requirements that are available for all Texas 4-H Council members beginning July 25, 2022 and ending July 22, 2023. Members should pay close attention to the required events. Officers are held to an even higher set of expectations. Members and officers *NOT* meeting the requirements will be reviewed and could be removed from Texas 4-H Council by the Advisors and the 4-H Program Director.

It is expected that district delegates will also fulfill responsibilities at the County and District levels. Not completing the requirements at those levels has repercussions that follow to the Texas 4-H Council level. Being removed from the position that elevated you to Texas 4-H Council means that you will also be removed from Texas 4-H Council.
