## SCHEDULE

- 8:30 AM Check-in
- 9:00 AM contest
- Awards following completion of tabulation

## CONTEST COMPONENTS

Teams consist of three or four members. In teams in which there are four members, all will compete, but the member receiving the lowest overall score will be automatically declared the alternate. The scores of the alternate will not be included in any of the team totals but will be considered in making all individual awards. Teams consisting of three members will have no alternate and all members' scores will count in determining individual and team awards.

The contest will be divided into three or four areas: identification, judging, knowledge quiz, and team exercise (**Seniors only**). Contestants will be divided into groups and have time limits for each station area.

## CONTEST CLASSES

The following is a list of common skill-a-thon classes. Please note that actual classes may deviate from this list in an effort to keep current with a rapidly changing livestock industry.

### Identification

1. Livestock Equipment Identification: Identify the proper name and use for pieces of equipment used in livestock production. **Participants are no longer required to indicate the equipment used.**
2. Livestock Breed Identification: Identity from photographs or pictures of livestock (beef cattle, swine, sheep, and goat) breeds. Contestants must also match the breed with the most appropriate description supplied for each breed.
3. Retail meat cut identification: Identify beef, lamb, and pork retail cuts. Contestants will identify the retail cut specie, primal cut, and retail cut name.
4. Feed Sample Identification: identify various samples of feeds.

### Judging

5. Hay Judging class: Rank a class of four hay samples with analysis information and answer questions about the classes.
6. Wool Judging class: Rank a class of four fleeces and answer questions about the class.
7. Retail Meat Judging Class: Rank a class of four retail meat cuts (beef, pork, or lamb) and answer questions about the class

### Quizzes

8. Quality Assurance exercise: Demonstrate how to read a medicine label, calculate withdrawal times, complete a treatment record, and make responsible management decisions regarding quality assurance.
9. Industry Quiz: Complete a 30-question multiple-choice quiz concerning the total livestock industry.

### Team Exercise

10. **For senior complete teams only.** This area will not affect individual scores. Team members are allowed to collaborate on team exercises. Possible team exercises include Keep/Cull – EPD Only, Livestock Performance and Marketing, Quality Assurance, and Nutrition and Feeding.

\*\*\*Note: For the District 7 Contest the committee will determine if a team exercise will be held based on entries.\*\*\*
